## Channel discovery reopens waterway

By JIM JONES

A new channel discovered this week has reopened Lake Okeechobee to boat traffic which previously had to be detoured via Key West.

Lake Okeechobee's low level had created a hazard for larger boats which attempted to navigate through water as shallow as 3.8 feet in the Rim Canal or the cross-lake channel.

Tuesday afternoon, Feb. 23, a U. S. Coast Guard Cutter installed a buoy between Marker 4 and 6 just north of Clewiston in the cross-lake channel restricting the size of the channel from about 150 feet to 75 feet for one 200 yard shoal-infested section.

The new channel is just north of the cross-lake channel and is marked by a buoy, numbered "5A," said Mike Grundy, area engineer for the Clewiston Area Office of the U. S. Army Corps of Engineers.

There is still no Rim Canal access for boats with drafts two-thirds the depth of the 3.8 limit. Only the cross-lake channel is affected.

Grundy said marine interests were notified Tuesday that the new channel was being marked, re-opening the lake to larger boat traffic. Boats will now have a six-foot channel depth to work with in the center of the new channel.

## Setting Marker 5A

A U. S. Coast Guard team sights in on the location of Marker 5A, which re-opens Lake Okeechobee to large boats. Low lake levels had forced boats with deeper drafts to sail around the southern tip of Florida. Shown are BMI Peter N. Stone with binoculars, Jeff Glenn (left), and Tink Spidel (center).

## Airport upgrade moving ahead

**BELLE GLADE** - The improvements currently being done at the Belle Glade Airport should be completed within a month to six weeks, according to Michael Saunders, an administrative aid to County Commissioner Bill Bailey.

Bailey had worked with the Airport Authority towards acquiring the last \$40,000 needed to go ahead with the project.

Work began on the improvements Friday, Feb. 12. Billy Cowart, president of Cowart Sod Farms, is donating his time digging out the east-west runway.

The 3,700 foot long runway will be paved, according to Saunders, adding that Cowart had purchased a dragline special for the project.

"Of course, when he's done, he'll be able to use it on his farms for work there, too," said Saunders.

## No Jubilee beer sales

By JEFF BROWN

**BELLE GLADE** - The Black Gold Jubilee Committee reconsidered and voted to rescind its previous decision sanctioning the sale of beer at the festivities scheduled for early April after pressure was exerted by several local religious leaders.

Committee Chairman Steve Weeks, who originally opposed the sanctioning of beer sales two weeks ago, told the committee he had received letters from several local churches protesting the action.

Letters protesting the sale of beer were received from the leaders of five city churches: the First Baptist Church, the Community United Methodist Church, the Belle Glade Alliance Church, the Belle Glade Church of God and the Chosen Missionary Baptist Church.

Two letters were received from out-of-town churches also: the First Baptist Church in South Bay.

"We read that the purpose of the Black Gold

Jubilee, when it was organized, was to express our thanks to God for the rich farmland he gave us," wrote Robert H. Atkins, pastor of the Belle Glade First Baptist Church. "To join in celebrating as a community in recognition of the value of this muck land; to use the celebration to provide a week-end of family entertainment and participation; to seek to draw people of our community together."

"We believe that the selling of beer at this celebration is in direct conflict with all of these goals. It is certainly not something to enhance family participation and it will divide, not unite, our community."

"It was my understanding that this was supposed to be a family oriented event," wrote Joe Ed McGahey, minister of Community United Methodist. "I know of no benefit that beer will bring to our families in this city."

"I do not see how you can call this a family gathering when alcoholic beverages are permitted."

(Continued on Page 2)

## Open Wide

The Annual Heart Ball will be held at the Belle Glade Elks Club Saturday night. The Belle Glade Junior Women's Club is sponsoring the event. To add interest to the affair, the Junior talked Gary Resmondo to

feed Tom Altman a gold fish, reminiscence of the 50s. Looking on are Juniors, Glennie Davis, Sharon Underwood, Renie Jo Crews, Marie Buckner and Vickie McMullen. See story page 3.

## South Bay election set for Tuesday

**SOUTH BAY** - When the voters go to the polls in South Bay Tuesday, Mar. 2, they will have a field of five candidates to select from for the two city commission seats up for grabs. The Group I and II seats held by Vice Mayor Ray Sullivan and Sammy Rogers are the seats being contested.

Rogers is seeking his second term on the City Commission and Sullivan is seeking his fifth term.

Running against Sullivan is Renick Carlton Morris, 53, an employee of the Palm Beach County School system in the transportation department and O'Neal Walker, a

former South Bay City Commissioner. Walker was first elected to the Commission in 1946.

In the Group II race, incumbent Rogers will run against Willie Marshall, 31, an employee of Gulf and Western.

Marshall was born in Bean City and moved to South Bay when he was a child.

City Clerk Virginia Walker said the polls will be open from 7 a.m. to 7 p.m. There are approximately 1,030 registered voters in the City of South Bay, according to Mrs. Walker.

## Authority responds to warning notice

By JEFF BROWN

**BELLE GLADE** - The Palm Beach County Solid Waste Authority received a warning notice from the Florida Department of Environmental Regulation and has taken steps to correct the violations cited by the department, according to Timothy F. Hunt, Jr., the authority's executive director.

According to the notice, dated Feb. 3, 1982, the authority was in violation of several sections of the Florida Statutes at the Pahokee Landfill.

According to the notice, there was not enough cover material to provide satisfactory initial cover. "Extensive areas of exposed wastes were observed in both the areas of active waste deposit and in areas removed from the active landfill operation," according to the

report. "Litter control was not adequate to prevent widespread dispersion of solid waste materials throughout the site. There was also no evidence of dust control."

"In our estimation insufficient equipment and personnel were available for efficient, effective landfill operation. Additionally, equipment in use did not possess adequate safety features necessary to ensure the protection of operators."

According to the report, the department had observed two bulldozers at the landfill, one of which was undergoing repairs. Only one operator was present.

"Hazardous or toxic materials had been placed in the landfill in an improper and unapproved man-

ner. "Specifically, approximately 100 emptied pesticide containers were found to have been placed in the landfill. The containers were labeled as containing five gallons of 'Ortho-Monitor A Spray,' an organophosphorus pesticide."

The report stated that the cans were labeled poison and had been prominently labeled with toxicity levels and required treatment steps. Several of the cans, when examined, were found to contain concentrated material.

"The cans apparently had not received triple rinsing treatment prior to being delivered to the landfill. Triple rinsing was specifically called for on the container labels."

The department requested the authority take steps to correct the violations. Among the steps

requested were:

- Ensuring that adequate quantities of cover material are available to provide daily initial cover to all waste received at the site. All the exposed areas cited by the department in its notice had to be provided with initial cover.

- Providing adequate equipment and manpower at the site to "facilitate the proper operation of the landfill." The department also recommended that back-up equipment be made available and that safety equipment be provided on each piece of equipment.

- Properly disposing of all litter at the landfill.
- Minimizing the working area at the landfill.

## Beer —

Continued from Page 1

ted," wrote F.T. Mason of the Belle Glade Church of God. "No one can show how alcoholic beverages have truly benefited our society. Yet our country is full of families that have suffered in many ways from the sale and use of alcoholic beverages."

"It seems that every event in our community must fall victim to the smell and effects of alcohol," wrote Zary A. Shealy of the Chosen Missionary Baptist Church. "No one in the world can step forward and make any true statement that the sale of liquor, beer or wine has benefited our society in any way. However, the cities of the world are full of the results of such sales."

"Further more, it is not a good example for our youth to see our town having public activity and public drinking. If a person desires to drink let him do it at home in an establishment, that caters to drinking customers."

"Your promotion of Black Gold Jubilee is car-

ried on in a manner that invites families, youth and children to participate and the addition of alcoholic beverages being sold on the premises violates the basic principles of good judgement," wrote Joe Hudson of the First Baptist Church in Pahokee. "The added burden of abusive conduct brought on by drinking from a near source and the 'approval by sale' of alcohol can do nothing but harm your efforts and alienate many from participation."

"This is a celebration for our families to participate in and the condoning of drinking alcoholic beverages before the children and youth would increase, not help, the problems associated with alcohol in our community," wrote Paul Murray, pastor at the First Baptist Church in South Bay.

Dean Jones moved that the committee rescind its action sanctioning the sale of beer. Of the ten committee members present, nine voted in favor of rescinding the sale of beer: Steve Weeks, Mike Underwood, Jones, Charla Sizemore, Jewel Crane, David Spooner, Bubba Mock, George Goforth and Becky Wedgeworth. Bret McCormick abstained.

At the previous meeting, Weeks had voted against the sale of beer and Sizemore abstained. Jones, Underwood, Crane, Mock, Spooner and McCormick had voted with the majority to sanction the sale.

"I think with this issue, we have gotten more interest from people who have never taken an interest in Black Gold before," said Mock. "I think that they need to back it up. I don't think we've had their support in the past."

Weeks told the group that he had received a second letter from Atkins at the Belle Glade First Baptist Church.

Atkins requested the committee attempt to reschedule its activities so they would not conflict with evening church services on Palm Sunday, April 3.

As a post-script, Atkins suggested the church could get together to hold a community service to close out the celebration on Sunday evening.

## Council approves project

By JEFF BROWN

**PAHOKEE** — The Pahokee City Council Tuesday, Feb. 23, gave the go-ahead to a county project.

The Community-Development project calls for the construction of 36 replacement housing units on Amayllis Avenue, according to Doc Durden, a land planner for Craven Thompson of West Palm Beach.

According to Durden, the county will ensure that the lots are kept clear of junk and trash and the grass is mowed.

Those renting the units will also be putting funds towards a down-payment on it as part of their rent, he said. After four years, the residents will become the owners of their units and the city may start to collect property taxes from them.

Previously, city council members had expressed concern that the city would have to provide services without collecting taxes from the units.

As part of the plan, Amayllis will be widened to 50 feet. A variance was granted allowing Community Development not to extend Fourth Street through the development.

The units will be pre-fabricated by a firm in Georgia, according to Durden.

Footings or pilings will be dug prior to the units being placed on the lots, according to Durden.

Plans call for four four-bedroom units, 16 three bedroom units and 16 two bedroom units.

Handicapped, off-street parking will be provided for each unit also.

Durden estimated that the units will be completed within six months.

The project is part of a replacement housing plan in which the county builds housing units to replace sub-standard units in target areas.

## Counseling team available

**BELLE GLADE** — Florida Atlantic University Department of Elementary and Early Childhood Education counseling and advisement team will be at Palm Beach Junior College Glades Campus, Monday, Mar. 1 from 3 to 6 p.m. All FAU elementary education majors are asked to please sign up at PBJC Glades to see the team.

## Channel —

Continued from Page 1

Grundy said that he learned there might be another channel last week from an Indiantown, marina operator who had seen his business drop off 88 percent because of the detour.

Finding a new channel was the only alternative left to the Corps, which had wanted to deepen both the cross-lake channel and the Rim Canal by dredging, but had been unable to find the funding to pay for the project.

"We are talking about an economic impact," Grundy said of the reopening of the cross-lake channel to larger boats.

Cosmo Guard, Aide to Navigation Team CG21315 from Ft. Pierce shot azimuths on the Clewiston microwave tower, Marker 6, and a clump of bushes near Moore Haven to pinpoint the location of Marker 5A.

There were reports that the new channel was as deep as eight feet in spots, while the sides were about 4 1/2 feet deep.

# Heart Beat of the 50's is theme of benefit dance

**BELLE GLADE** — When partygoers reach the Belle Glade Elks Saturday night they will be thrown back in time. The Elks Club is the site of the Annual Heart Ball and the Belle Glade Junior Woman's Club has

selected the ball theme as "Heart Beat of the 50's." The Ball will be held from 9 p.m. to 1 p.m. and Simon Train from Country K with the "14 Karat Gold Band" from Cocoa Beach, specializing in music

from the 50s and country and western will entertain at the dance. Also appearing with Simon will be some special guests. Many door prizes will be given away and several contests will be held. There will be a

Fonz Look-A-Like, greasiest, and prepest contest held. Tickets are \$20 per couple and can be purchased from members of the Junior Woman's Club, the Sweet 'n Sassy Dress Shop and Eloise's Gifts.

## Warning received

Continued from Page 1

Properly removing, treating and disposing of hazardous and toxic waste materials.

The authority was asked to respond within ten days or face legal action. If legal action would have been taken, the authority could have been held liable for any damage caused and fined up to \$10,000 for each day of the violation.

In his response dated Feb. 18, Hunt listed the actions taken in response to the DER charges. "Quantities of cover material delivered to the site have been increased to provide for adequate daily cover. Additional material required to cover exposed waste matter has also been delivered to the site. All exposed garbage has been spread, compacted and covered."

"Upon completion of covering the exposed waste all litter will be collected and covered in the operating face. This should be accomplished within one week."

"Maintenance of litter control has been included in the daily operating procedure for the site operation."

"I have spent a great deal of time at this facility and have yet to see anything remotely resembling a dust problem. The facility only receives approximately 20 vehicles per eight hour day. Should dust become a problem at this site, it will be controlled."

"I totally disagree with your estimate of how many personnel it takes to efficiently operate the facility given the traffic volume using the site."

Hunt estimated the site handles one vehicle every 24 minutes, with no peak in the day. "There is also sufficient equipment at the site for efficient operations, however the equipment has not been operationally sufficient to do an effi-

cient job.

"In order to correct his problem I have directed all transfer loads to the Lantana landfill until the equipment is in proper repair and the landfill operation is under required regulatory control."

Hunt also informed the DER that safety equipment was being installed on equipment lacking adequate safety equipment.

The pesticide containers were removed by the company depositing them two days after notice was given to the authority.

The containers were received from Chem-Spray, who was given the option of removing the containers or signing a certification that all the containers were triple-rinsed.

In the future, certification that label instructions had been followed will be required for all hazardous or toxic wastes, according to Hunt.

The Pesticide Container Disposal Certification Statement reads:

"I hereby certify that all of the pesticide containers in this load have been triple rinsed in accordance with each containers label instructions prior to this delivery."

"I understand that if the above certification is found to be false, I will be required to remove all containers delivered in this load within 24 hours of the time of disposal of the containers or of notification by the Palm Beach County Solid Waste Authority and receive no refund of the disposal fee charged for the load."

"I guess the result of all this is that I'm not going to jail and the authority isn't going to be fined \$10,000 today," said Hunt at a meeting of the Glades Budget and Policy Advisory Committee of the authority.

## Glades felony cases

Cases filed in the Glades by the state attorney Feb. 16-18:

Charles Cain of 513 S.W. Ave C No 3, Belle Glade — 1. Burglary, 2. Grand theft, and 3. Dealing in stolen property.

Charles Cleveland of Canal Point — Aggravated battery.

Santonia Collins of 517 S.W. 7th St. No. 11, Belle Glade — Burglary.

Reginald Tyrone Ellick of 352 Canal St., Belle Glade — Throwing a deadly missile.

Willie Fitzgerald of 349 Eisenhower Pkwy. — 1. Strongarm robbery, 2. Strongarm robbery.

Larry Albert Gabor of Royal Palm Beach — Throwing a deadly missile.

Pamela G. Harvey of 13 Roosevelt St., Belle Glade — Issuing a worthless check.

Rita Jones of 940 W. Ave. A No. 7 —

Battery on a police officer.

Raymond Moore of Ocoola, Ga. — Battery on a police officer.

Rene Antonio Ortega of Glades Correctional Institution — Aggravated battery.

Joseph Roper of 400 S.W. Ave. C, Apt. 35, Belle Glade — Aggravated battery.

Frank Theodore — 1. Carrying a concealed

weapon, 2. Grand theft.

Rufus Turner of 120 N.W. 10th St., Belle Glade — 1. Carrying a concealed

weapon, 2. Grand theft, 3. retail theft.

James Richard Vickers of 18 Bethune St., Belle Glade — Aggravated assault.

Arnold Newton Williams of Glades Correctional Institution — Escape.

## Letters

### Christians need to protect freedom

Mr. Jones:  
I deplore the ideas which you expressed in an editorial concerning the dates of the Black Gold Jubilee in the February 11th issue of The Herald Observer.

When our founding fathers drafted our Constitution and the Bill of Rights, in which freedom of religion is guaranteed, they realized how important religion is to the individuals, and to a nation made up of those individuals. The people who fought many hardships to settle in America, and those who later fought for its independence, did so largely for one reason: the dictates of their conscience. America was founded on Christian principles, and has reached a position of world prominence because of those Christian principles.

You have stated, "It took many years for the country to get to where it is today." I'm not so sure that we can be proud of everything that our country stands for today, particularly of develop-

ment of nuclear weapons, and our reluctance to take a stand on human rights, both in our own country and abroad. I believe that we all need to re-evaluate the ideals that are important to use today as individuals, as a community, and as a nation. If more American Christians don't work to protect the freedoms we all enjoy so much, we may find ourselves losing those freedoms. Our founding fathers realized, as many of us do not, that along with freedom goes a great responsibility.

I ask you, Mr. Jones and citizens of Belle Glade, which is more important? A fireworks display on Palm Sunday - or the opportunity to worship God and to thank Him for the many blessings He has bestowed on this nation.

Which would have been more important to our forefathers?

Sincerely,  
Rebecca Watson  
Belle Glade

### Communist aren't the only despots

Editor:

How ironic to hear Reagan decry oppression in Poland while continuing to send aid to Ferdinand Marcos, the despot who has kept the Philippines (for years) under martial law. Military dictators are reprehensible, yes. No one would disagree with that. What amazes me, though, is how our political leaders seek to qualify that statement when it suits their purpose. Please explain to me what benefit to the average American is in our past and present alliance with Marcos and other tyrants like him? If there is a principle to be upheld, let us truly uphold it, for all of us lose when we

allow our leaders to espouse political views that are no more than empty words that they themselves neither believe in or adhere to. Hypocrisy in government is nothing new, and that's perhaps the saddest part. But it's an insult to our intelligence and our sensibilities to use this particular issue to whip the public into a battle frenzy when it is blatantly evident that the present administration is only concerned about oppression in Communist countries, but allows it to continue almost unnoticed in other countries, and even aids and abets its continuance!

Sincerely,  
Melinda Duke

### Young farmers add vigor

For years we have been bemoaning the fact that the average or median age of the nation's farmers was higher than the rest of the population. Some have long concluded that farmers will continue to grow older and older.

We can stop bemoaning that problem. According to Calvin L. Beale, an expert on the rural and farm population of the United States, data from the Bureau of Labor Statistics of the Department of Labor shows there were 401,000 persons engaged in agricultural employment under the age of 35 in 1980, compared with 265,000 a decade earlier.

The number of young people on farms and ranches has been growing while the overall total number of farmers has been going down.

Beale says his studies show that the median age of farmers has declined from a peak of 53.1 years in 1970 to 48.6 in 1980. The figures relate only to people who are self-employed in farming and who make most of their living from it. As reported in the Associated Press, Beale's conclusions did not reveal whether he had prepared any breakdown as to size of the farming operation or gross sales of the younger farmers as compared to the older ones.

It is safe to assume that a great deal of the increasing numbers of young farmers are farming on small acreages and producing relatively small gross sales. Anyway, it is reassuring to know that farmers are not a dying breed.

Courtesy of the American Farm Bureau Federation.

### The way we were...

The first hospital to be built in the Glades was built in Pahokee and served the communities of Pahokee, South Bay and Belle Glade. Members serving on that board of directors that petition the governor for the

facility was W.P. Rish, Ammie Whidden, Joe Lee Wood, George Royal, G.R. Townsend, Ruth Wedgeworth, George Mead and L.L. Stuckey. The residents were from all three communities.

## Pahokee project is a winner

We believe the county Community Development project underway in Pahokee is a move to the benefit of those who will live in, and eventually own, the units, and the city.

With interest rates and inflation putting many people out of the market for a home, this can add hope to the lives of a few.

Part of each tenants' rent will go toward a down payment on their unit. After about four years, according to Doc Durden of Craven Thompson, Inc., the tenant will become a home owner.

At that point, the city also becomes a beneficiary. They start collecting property taxes on those units at that time, according to Durden.

In recent years, a variety of moves, state- and county-wide, have depleted the tax base of many cities, including Pahokee.

By approving the county's plans, the city has taken steps which can only be beneficial to the city's tax base.

This is one county project which looks almost too good to be true.

## Everglades history

#### 20 YEARS AGO BELLE GLADE HERALD FEBRUARY 22, 1962

The 1962 Heart Fund Drive was expected to reach its high point during Heart Sunday weekend when 50 volunteers were to carry the fight against coronary disease to every family in the community.

Mrs. John Grady and Mrs. Arthur Levy, the Heart Sunday co-chairmen, said the volunteers would be touring the residential areas in the city to ask for contributions to the heart fund and distribute pamphlets containing facts about heart disease and ways to prevent it.

Billy Lockhart, of Belle Glade and Wade Jones of Pahokee were crewmen aboard USS No. 8, the destroyer that picked up Mercury Astronaut John Glenn after his orbit of the earth the previous Tuesday.

Glenn's mission was the first full orbital flight around the earth for American astronauts.

Police Chief Charles Goodlett was advocating a 300 hour course of composite professional training for all police officers.

local police, the sheriff's department and the Florida Highway Patrol were embarked on an eight-week tour to install methods of procedure and efficient handling.

#### 30 YEARS AGO BELLE GLADE HERALD FEBRUARY 22, 1952

Growing rice reduces black heart, red rot and soil subsidence, farmers and agriculturalists were told during a meeting held at the Everglades Experiment Station.

Rice exports from Louisiana and Texas said the addition of iron and other minor elements controls arsenic sensitivity of rice in the muck, where longer heads with more grains per head are possible.

The discussion ended in a general conclusion that rice growing in the Glades is highly desirable and economically profitable as disease prevention as well as a soil conservation practice.

Plans for the Everglades Fair, sponsored by the American Legion Post 20, were almost complete. The fair was scheduled to open March 1 in the

## Everglades History—

(Continued from Page 4)

tion hall and the surrounding area. The fair was to feature local vegetables, produce, other facets of the agricultural industry and other commercial ventures in the Glades.

Speed arresters were installed on streets in Osceola and Okeechobee Labor Camps to cut back on speeders in the two developments, according to Belle Glade Housing Authority Director Emmett Roberts.

**40 YEARS AGO**  
**BELLE GLADE HERALD**  
**FEBRUARY 27, 1942**

W.C. "Pop" Lord was named commander of the Citizens Defense Corps in the Glades.

The order, which came out of Tallahassee, was made, according to a front page story, "with a shoutin' war less than 50 miles from Belle Glade. This official," the order read, "is the one who, in case of emergency, is in actual and complete command of operations, such command being vitally necessary to prevent conflicting orders and resulting confusion."

Divisions under Lord's command included civil protection, health, housing, power and fuel, transportation, communication, water supply and fire protection.

All members of the Defense Council were expected to take training courses in first aid, bombs, war games and general instructions. Erwin Johanwick, principal of South Bay School, was appointed director of civilian defense classes in the area, according to Lord.

Johanwick was to head a cadre of some 20 instructors.

First Aid instructor Roy Alspaugh, announced the graduation of 100 people from a first aid training class, the largest class ever graduated locally.

Alspaugh said the students completing the 20 hour course included many members of the local Defense Council.

**50 YEARS AGO**  
**EVERGLADES NEWS**  
**FEBRUARY 26, 1932**

The depression struck hard in the Glades as Moore Haven officials had their pay cut as a result in the reduced amount of money available from taxes.

The police chief's salary was cut from \$125 to \$100 a month and the salary of the superintendent of the electric generating plant from \$150 to \$135.

The city clerk's salary was cut by \$50 to \$100 a month and one of the operators at the electric plant was to get \$120 instead of \$140 and another operator's salary went from \$130 to \$110.

Similar cuts were made to other officials and employees' paychecks.

The executive committee of the Upper Everglades Garden Club decided to hold the second annual flower show in connection with the Everglades Fair.

Representatives at the meeting were from

Moore Haven, Clewiston, South Bay and Belle Glade. The president was Mrs. W.C. Lord of Shawano.

Installation of a water treatment plant designed to serve both Belle Glade and the state prison farm was being discussed with an eye toward attracting private investments.

The water plant was being seen as a boon to the area because it was expected to raise the standard of living, providing water from Lake Okeechobee than was available from individual wells. Lake water was expected to have a higher quality than well water.

It was to have serviced both city dwellers, the prison farm and small farms in the area.

## Would you give away \$15,000?

Asking anyone if he would give away \$15,000 may sound like a foolish question, because the answer is obviously "NO!" Yet, if you plan to build on your property and finance your new home, paying this amount and more in extra financing charges is very, very easy to do.

**10% ANNUAL PERCENTAGE RATE FINANCING**

Check these facts: If the cash price of building your new home is \$30,000 and you finance with a 20-year, 13% mortgage, you will pay back approximately \$14,872 MORE than if Jim Walter built a home, having this same cash price, and financed it at our standard 10% annual percentage rate.

Think of that. Just 3% more makes a difference

of nearly \$15,000 over the life of a 20-year mortgage. That's a difference of \$62.00 more in your monthly payment, each month for 20 years. If you increase the cash price just slightly, to \$35,000, you will end up paying a total in excess of \$17,000 MORE. Would you give away that much money?

**EXAMPLE 20-YEAR FINANCING WITH NO DOWN PAYMENT**

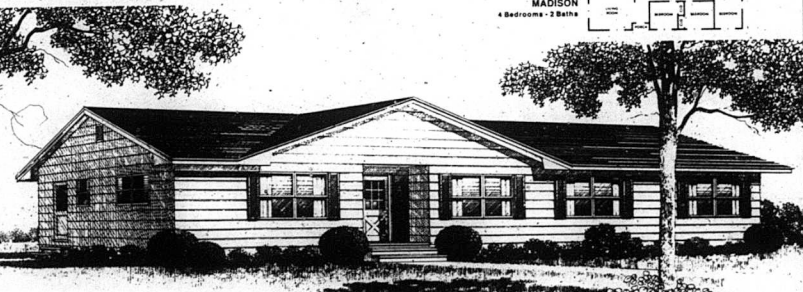

CASH PRICE	FINANCING RATE	MONTHLY PAYMENT	TOTAL PAYMENT	EXTRA FINANCING CHARGES
\$20,000	10%	\$241.20	\$57,888	\$37,888
\$25,000	10%	\$296.50	\$71,160	\$46,160
\$30,000	10%	\$351.80	\$84,432	\$54,432
\$35,000	10%	\$407.10	\$97,704	\$62,704
\$40,000	10%	\$462.40	\$110,976	\$70,976

Check the chart above. It shows typical Jim Walter Homes 10% Annual Percentage

Take a close look at the many homes we'll offer you. Ask for details about doing some of the inside finishing work yourself to save even more money. Jim Walter builds to almost any stage of inside finish from the "shell" up to 90% complete. The more you do for yourself, the less your cost and the more money you'll save. With Jim Walter you can be assured you will get an excellent value for your money. Call, stop by a display park or send the coupon to the office nearest you. You'll receive complete information without obligation.

## Raiders win Region 7 title 81-64

**BELLE GLADE** - The Glades Central Community School Girl's Basketball team are on their way to the Sectional 3A Championship Saturday.

The Lady Raiders outclassed Fort Pierce Central Tuesday night to win the Region 7

AAA contest.

The Raiders beat Fort Pierce 81-64. Senior Diane Bussie led the Raiders in scoring with an all game high score with 33 points.

The Raiders have been the Class 3 A State runners-up for

the last two years.

Coch Mike Logsdon said the Raiders played one of the best games Tuesday night. "In previous games, the team has held back but last night the girls gave their best," said Logsdon.

Logsdon said to get to the Regional, the

Lady Raiders had to defeat North Shore and did so by 24 points.

"We had a good passing and a good defensive game," Logsdon said.

The Raiders win over Fort Pierce improves their record to 24-1. The Raiders only lost

was against 4-A Palm Beach Gardens High School.

The Raiders will play Stranahan High School Saturday at Stranahan. Stranahan defeated Miami Edison 72-49 in Region 9-AAA competition in Miami Tuesday.

At half time the Raiders led the Cobras 42-27. The Raiders also outbounded the Cobras 60-35.

Diane Bussie in addition to her 33 points had 15 rebounds. Center Gloria Stewart added 18 points and also had 15 rebounds.

Denise Bussie scored 16 points. Annette Miller contributed 2 points. Sharon Roberts had 8, and Karen Gooden had 2 points.

The leading scorer for the Cobras was Liz Lamros with 28 points and 5 rebounds.

"Our plan on defense was to keep her (Lam-

pros) off the boards," said Logsdon. Lamros scored a career-high 53 points against Jupiter in the first round of the district playoffs last week.

The Raiders outscored the Cobras in every quarter except the final quarter.

## Crusaders end season at 12-11

By JEFF BROWN

**BELLE GLADE** - The Christian Day Crusaders ended the regular season last week one game over .500 by beating Fort Myers Christian.

Fort Myers fell to the Crusaders 77-65 in a game which saw nine of the ten man squad put points on the board.

Over half of Fort Myers's 65 points were scored by Mike Gaziano, who put in a 34 point performance.

"We weren't playing good defense," said Crusader Coach Woody Salvatore. "That's why he scored 34 points."

Five Crusaders hit double figures. Scott Hudson had a 16 point game followed by Tracey Shealey who scored 15. Tavi Garcia scored 12 and Luis Garcia and Roly James each hit for 10.

Alex Morales scored seven, Cary McKee four, Robert Echols two and Phillip Echols one.

Earlier in the week, the Crusaders had beaten Saint Edwards at Vero Beach, 46-28.

Luis Garcia was the team's high scorer with 14 followed by Hudson who scored eight.

Tavi Garcia, Morales, and Phillip Echols each scored six in the Friday night contest.

Two points each were scored by Ramos, Robert Echols and Thomas Frederick.

Tuesday, Feb. 16, the Crusaders played host to Moore Haven. The Terriers beat the Crusaders by three, 56-59.

The game could have gone either way in the first two quarters, with the Terriers picking up the first quarter, 11-10 and the Crusaders outscoring the Terriers in the second, 14-12.

The Crusaders came back from the half-time break with one point lead, but the Terriers broke loose and hounded the Belle Glade Christian team for 23 points in the third while giving up only 11.

The Crusaders turned things around in the fourth but couldn't overcome the third period,

35-46 deficit in time to claim victory.

With ten seconds on the clock, they were down 54-57 when they hit the bucket and closed the game to one.

The Terriers held the ball and scored two as the final buzzer sounded.

Luis Garcia led the team again with 16. Hudson scored 14, Morales 12, Tavi Garcia seven, Ramos three, McKee and Robert Echols two.

This week, the Crusaders travel to Pompano Beach for the districts tournament. Thursday night they go up against Boca Christian, the number two seed. The Crusaders, who are seeded in the lower bracket of the tournament, are seeded number three.

On the regular season, Luis Garcia led the team with 339 points. Morales followed with 299. In third place on the team was Scott Hudson who scored 286.

Hudson also picked up 270 rebounds during the year to lead the team in that category.

Luis Garcia had snagged 207 rebounds and Morales had gotten 47.

Tavi Garcia put 167 points on the scoreboard and gathered 68 rebounds.

McKee scored seventy points and picked up 113 rebounds.

He was followed by Shealey, who scored 69 and pulled down 16 rebounds.

Ramos scored 67 points and picked up 67 rebounds.

Robert Echols scored 47 points and pulled down 38 rebounds while Phillip Echols scored seven and gathered two rebounds.

Frederick scored five points and gathered 21 rebounds.

Only two members of the Crusaders team are graduating this year: Shealey and Hudson.

Phillip Echols is a freshman and the remainder of the team are juniors.

### Raider receiver

## McDonald named on NHSACA team

Raymundo McDonald

**BELLE GLADE** - Glades Central Community School wide receiver Raymundo (Ray) McDonald has been named to the Honorable Mention team on the 1981 National High School Athletic Coaches Association sponsored by Carnation.

McDonald was one of 13 football players from Florida receiving the honor. The Glades area leading rusher and Palm Beach County's third leading rusher recently signed a four year scholarship of the University of Florida.

Since signing the national letter of intent, McDonald has also received several congratulatory telegrams from Coach Charlie Pitt, present and former Gators football players.

Gators' David Galloway an All-American lineman and Brian Clark, the Gators place kicker was among the many Gators congratulating McDonald.

## Championship goes to Pahokee team

For the third straight year, Pahokee High School's senior boys won the State Special Olympics Basketball Championship with impressive victories.

Both the Junior

Boys and Senior Girls placed second in state games held at Eglin Air Force Base, Ft. Walton Beach, Feb. 11-14.

The Blue Devils' championship came with a victory over

Walton Vocational School 46 to 33 in the opening rounds, and an impressive 42 to 23 victory in the final.

In that game, Pahokee jumped out to a 20-3 first quarter lead and then coasted on to victory.

The team's leading scorers were Albert Polk with 34 points and Kenny Peterkin with 20 points. The team has been coached by Mike McCoy to the past four years.

The Junior Devils

teams placed second in the state by winning the semifinal match against Sarasota and losing the final to Okalooska.

Pahokee dominated Sarasota 48-27 in the semifinal game.

With only 40 minutes of rest, Pahokee had to play against Okalooska in the final. Okalooska won 57-39 and led the whole game.

The team's leading scorers were Albert Porter with 28 and

Robert Key with 22. Clark Gelfond has been directing the team the past three years.

The Pahokee and Glades Central High School's combined girls' team won their semifinal game against

Marvin High School.

In the final game they lost against Sarasota in a close game 26-23. Sherri Radcliffe and John Dabbs were the coaches for their first year.

## Gators lose two to end season

**BELLE GLADE** - The Glades Day Gators were beaten in their last, two games of the regular season last week, closing their record at 13-9.

The Moore Haven Terriers beat up on the Gators 85-63, shooting 64 per cent from the floor.

"I didn't think we played that bad a game," said Gator Coach Richard Schmidt. "We played a good ball game. It's just they played a super ball game."

The Gators shot 47 per cent from the floor and were outscored by the Terriers in all four quarters.

The Terriers opened a slim 16-13 lead at the end of the first quarter. They ran away with the game in the second quarter, outscoring the Gators 26-14.

Down 27-42 at the half, the Gators came roaring back with a 22 point third period. But the Terriers picked up that quarter with 23 points.

"We played a good ball game," said Schmidt. "But they were super. Everything they did was done to perfection. They didn't miss.

And I mean, they weren't 'gimmee's' either."

Richard Schiele led the team with 16 points and 12 rebounds against the Terriers. He was followed by David Lakatos with a 14 point game and Scott Meredith with 11. Jorge Rodriguez hit for nine, Raul Garcia six, Oscar Toledo four, Frank Thompson two and Andy Fontaine one.

Five Terriers went into double figures: Jerry Grace, 20; Billie Gadsdon, 14; Glen Hyatt, 14; Crennan Thompson, 14 and Eric Holder, 12.

Later that week, the Gators suffered a disappointing loss to Evangelical Christian.

Up 52-47 with three minutes to go, the Gators scored one point before the end of the game while Evangelical hit the bucket for nine to win the game 56-53.

In the last three minutes, the Gators fell into serious foul trouble. Four technicals, five personal and five violations were called against the Glades Day team.

"Which is quite indicative that something odd was happening," said Schmidt. "We didn't have

four technicals called against us all year and we had four called in three minutes. Some of the calls were quite questionable. I don't like to make excuses, but it happened before."

Rodriguez led the team with 14 points, followed by Schiele with 13. Garcia scored ten, Toledo eight, Meredith seven and Mike Basore scored one.

Schiele led the team with 12 rebounds.

The Gators finish the season at 13-9.

"I'm more than satisfied," said Schmidt. "We

have to forget whatever happened in the season and get to work on the districts now."

The Gators, seeded fourth, meet Zion Lutheran Thursday night in the first game of the districts tournament in Pompano Beach.

"This is what the basketball season boils down to, right here," said Schmidt. "Anybody can beat you at this point. And you can't play after you get beat. I feel like we have just as much a chance as anybody of winning."

Meredith finished the season with 287 points,

an average of 13.7 per game.

Lakatos scored 259, or 13 per game.

Schiele averaged 12.4, scoring 236 during the season.

Garcia hit for 227 points, an average of 10.8 each game.

JV: The Junior Varsity Gators ended the season at 13-5.

# Miss Afro Arts contest Mar. 17th

**BELLE GLADE** -- Nineteen young ladies from the communities of Pahokee, Belle Glade and South Bay will participate in the Miss Afro Arts Pageant, sponsored by the Executive Board of the Afro Arts Festival and the Iota Omicron Zeta Chapter of Zeta Phi Beta Sorority.

The Pageant will be held Wednesday, Mar. 17 at 7:30 p.m., at the Lake Shore Civic Center.

Mrs. Clarice Davis, coordinator of the pageant said the pageant is divided into three contests.

"A Little Miss Afro Arts, a Junior Miss Afro Arts and Miss Afro Arts will be crowned," said Mrs. Davis.

The winners will represent the Afro Arts Festival on March 20 during the Third Annual Afro Arts Parade and the Black Gold Jubilee.

Contestants participating in the contest are:

**Miss Denise Seymore**, the daughter of Mr. and Mrs. Alfred Seymore of 715 Trailer Park. Miss Seymore is a member of the Mt. Calvary Baptist Church of South Bay. She enjoys reading and talking with people and plans to join the U.S. Army.

**Sonia Singletary** is the six year old daughter of Mr. Joyce Singletary of 220 S.W. 7th Ave., Belle Glade. Miss Singletary hopes

to become a teacher or a nurse. She will be competing for the title of Little Miss Afro Arts.

Contestant **Teohou Anquette Simeton**, is the four year old daughter of Mr. and Mrs. Jimmie Lee Williams of 543 S.W. 3rd St., Belle Glade.

Miss Simeton attends Christian Day School and is a member of the New Bethel Missionary Baptist Church. She enjoys playing with dolls and says she hopes to become a doctor when she's all grown up.

Vying for the title of Junior Miss Afro Arts is Miss **Sophia O. Hudson**, the twelve year old daughter of Mr. and Mrs. Jimmie Lee

Williams. Sophia attends Lake Shore Middle School and is a member of the Road Runner cheerleader squad. She attends New Bethel Missionary Baptist Church.

Sophia says she enjoys dancing, cooking and attending Bible School.

Contestant **Lisa Howard** is the daughter of Mr. and Mrs. E. Howard of 531 S.W. 4th St., Belle Glade. Lisa attends Lake Shore Middle School. She is a member of the band and she also recently graduated from the Babizon School of Modeling in Ft. Lauderdale. Lisa would like to become a model or a lawyer.

Thirteen year old

**Tonya Allen**, the daughter of Mr. and Mrs. Leonard Allen of 270 S.W. 7th Ave., South Bay. She attends Lake Shore Middle School and is a member of the band and drama club and is a cheerleader. Tonya wants to become a lawyer or psychologist.

## Japan businessman visits Glades schools

**BELLE GLADE** -- Japanese businessman Seisuke Okada recently spent eight days in the Glades visiting West Area public schools.

Okada, an accountant from Tokyo, said he is one of several businessmen and educators participating in a privately operated Teacher Exchange Program between the United States and Japan.

Okada, who visited classes at Glades Central Community School and Lake Shore Elementary

School and visited John I. Leonard in West Palm Beach before coming to the Glades, said prior to coming to Florida he visited schools in California and Massachusetts.

Okada said he mainly visits Social Studies classes. "In the Social Studies classes the students share information with me on the social, political, and educational differences between the United States and Japan," said Okada.

"I have noticed that American students have

far greater freedom of speech than Japanese students," he said.

According to Okada, students in Japan are only compelled to attend school through the ninth grade. "Although Japanese students are compelled to study through ninth grade, the majority of the students go on and complete high school and attend college," Okada said.

Although Okada is in America to study the differences in the two cultures, he said he has found

sharp differences in American students in the three states he has visited.

"In California I found the students to be very outgoing and expressive. In Massachusetts the students were shy and in Florida although the students are outgoing, they are not as outgoing as California students," he said.

Okada said he has found the Glades students to be the warmest students he has had contact with. He also said he found the Massachusetts students to be much taller than students in Florida and California.

He said he also found Americans to be very opinionated.

Okada, on his second trip with the Teacher's Exchange Program said he sees himself as a civilian ambassador for Japan and hopes American students learn much about Japan through him.

Before returning to his homeland, Okada said he plans to visit more American public schools to gain a better understanding of the American way of life.

## BPW Club listens to ERA supporters

The Belle Glade Business and Professional Women heard speakers at their February meeting recently at Natealeh Nachman's home.

Club members were informed by guest speakers from the ERA that the last push is on for passage of the amendment in Florida.

Cards to send to key representatives and senators in the Florida House and Senate were passed out. Several members assisted in this effort.

The club is currently working with the Boy Scouts of America to present Seminar on Careers for a local explorers post at Glades Central High School.

Rickie McCoy, 2nd U.P. for membership, welcomed new members Louise Buckner and Louise McNaughton into membership. She also gave a report on efforts to get members to present recipes to the local newspaper.

Virginia Croft, ways and means, encouraged all members to get in their "Southern recipes" for the Southern Cookbook the club is doing for the Black Gold Jubilee.

The club was asked to assist the West Area Special Olympics team in their trip to the State Games. The club agreed to prepare enough sandwiches and fruit for each student going to the games.

Virginia Williams, president, asked for a nominating committee to draw up a slate of new officers.

Natealeh Nachman, Mickey Wright and Rickie McCoy will serve on that committee.

Virginia was also honored recently by election to the office of Treasurer of District 8 BPW.

HELEN LYONS

## Cook's Corner

Helen Lyons is originally from South Bend, Indiana, having moved to Belle Glade two years ago.

She worked in a bank for 25 years before her retirement in 1972. She is a member of the Community United Methodist Church, the Belle Glade Women's Club, the Chosen Garden Club and the Belle Glade General Hospital Auxiliary.

Her recipe for Salisbury steak looks easy and delicious.

### SALISBURY STEAK

one can mushroom soup  
one and one half pounds ground beef  
one half cup bread crumbs  
one fourth cup chopped onion  
one egg slightly beaten  
one third cup water

Mix all the above ingredients together. Shape into patties and fry in oil or Crisco.

## Volunteers needed for March bike-a-thon

**PAHOKEE** -- Bike-a-thon chairpersons Patricia Wallace and Mary Beth Sanders today asked residents of Pahokee and Canal Point to participate in the St. Jude's Research Hospital "Wheels-for-Life" Bike-a-thon, Saturday, March 13.

Volunteer workers and riders are needed for the Bike-a-thon to raise funds for the world-famous research center and its battle against childhood cancer and other catastrophic childhood diseases.

Mrs. Wallace and Mrs. Sanders said this year's ride is being dedicated to Terry, a leukemia patient at St. Jude. "By riding for Terry, we'll really be helping all stricken children since research is the only way these illnesses can be con-

quered," the chairpersons said. "We're looking for people who will contribute some of their time and energy to help children live. We really need bike riders, since they are the ones who can make this Bike-a-thon successful."

In the Bike-a-thon, riders enlist sponsors who donate a sum for each mile completed. Riders who raise \$25 will receive a St. Jude T-shirt, and those raising \$75 will receive a jacket," said Mrs. Sanders. "We are also planning to have prizes for other riders." Sponsor forms are available at local grocery and department stores, as well as at schools and churches in the area.

"You can put your muscles to work for a child's life in this Bike-a-thon," Mrs. Wallace said. "We need every

bike and every rider."

Interested persons can contact either Mrs. Patricia Wallace, 145 Apple Ave., Pahokee, 924-7030; or Mrs. Mary Beth Sanders, 125 Third St., Canal Point, 924-7975 for more information.

## Garden Club to partake in anniversary parade

**PAHOKEE** -- The Pahokee Garden Club voted to enter a float in Pahokee's 60th Anniversary Celebration on March 20 at their last meeting.

Plans for the annual Spring Plant and Bake Sale were discussed as well as plans for a macrame and pressed flower workshop to be held in February and March. Members are currently working to make garden and flower craft items to of-

fer to the public for sale as well as plants and baked goods.

A student who is interested in environmental problems will be sent to S.E.E.K. (Save Earth's Environment) Through Knowledge) for one week in August.

The District X meeting is scheduled to be held on March 26 at the First United Presbyterian Church in Tequesta, according to Secretary Betty

Mueller, and registration deadline is March 16.

Mr. Doris Donovan presented slides of the birds of South Florida and members participated in an informal discussion sharing their own personal experiences while bird watching.

Guests at the meeting included Mrs. Louise Rogen, Mrs. Angie Helvy, Mrs.

[Continued on Page 17]

## Centscale arrives for duty

Pfc. Michael L. Centscale, son of Cornelius and Ernestine Centscale of 215 S.W. Fifth Ave., South Bay, has arrived for duty in Darmstadt, West Germany.

Centscale, a multichannel communications operator with the 7th Signal Battalion, was previously assigned at Fort Riley, Kan.

**LIFTING WEIGHTS?** -- Mr. South Florida of 1981 -- Chris Seiler, 23 -- also a music student at Palm Beach Junior College, pretends to have a tough time lifting his soprano saxophone, which he'll be playing in the annual free PBJC Jazz Festival, Wednesday, March 3, starting at 7 p.m. in the PBJC Central Auditorium. Seven groups will participate including the PBJC Jazz Ensemble, directed by Sy Pryweller and the Florida Atlantic University Jazz Band, directed by Dr. Bill Prince; others include bands from Atlantic, Glades Central, Lake Worth, John I. Leonard, and Palm Beach Gardens High Schools.

REV. JOE ED MCGAHEY

KEEPING THE FAITH

"This day I call heaven and earth as witness against you that I have set before you life and death, blessings and curses. Now choose life, so that you and your children may live and that you may love the Lord your God. Listen to His voice, and hold fast to Him. For the Lord is your life."

Deuteronomy 30:19-20 NIV

Moses had led the children of Israel out of Egypt, across the Red Sea and to the foot of Mt. Sinai. There they had a meeting with God and heard His voice ringing from the great mountain (Exodus 19:16-19). It was there that God gave to His people (and to us) the Ten Commandments. As you remember, this was a forty year journey that ended on the east side of the Jordan River. Moses would not be permitted to cross the river into the Promised Land.

Moses called the people together and reminded them of their heritage of how God had molded them into a great people from a group of slaves in those forty years. He reminded them of God's law and God's purpose for them as a people.

But after all of this covering nearly thirty chapters in the book of Deuteronomy, he then turned to the choice either God's way which would bring life and blessings, or to turn from God and find death and curses. Well very often they chose their own way rather than God's way they found death and curses. Finally there came a time when as a nation they would be carried off to other nations in captivity.

If one studies the history of our nation, one comes to realize that as a nation we came into being with a strong belief that God brought us into being. He enabled us to become a nation, to gain our freedom and become the greatest and most powerful nation on earth.

Twice as a nation we went to war in this century in which most of the world was involved. Each time when we became involved in those wars, as a nation we were militarily weak. But with hard work, sacrifices, determination and a strong faith in God as our Deliverer we won. As a nation we have been choosing the way of man rather than the way of God, and as a nation the time is coming when our way is going to lead to our destruction, and God is going to hand us over to the enemy in the same way He handed Israel and Judah over to their enemies.

Paul writing to Timothy (3:2-5) said, "People will be lovers of themselves, lovers of money, boastful, proud, abusive, disobedient to their parents, ungrateful, wholly without love, unforgiving, slanderous, without self control, brutal, not lovers of good, treacherous, rash, conceited, lovers of pleasure rather than lovers of God, having a form of godliness, but denying its power."

Today across this nation more and more people are seeking pleasure and recreation as their first priority. They are determined that nothing should interfere with them having a good time. Therefore any commitment that they have to God and to His church is secondary. They want a religion that has a "form of godliness," but not one that calls for complete commitment of themselves to God's way and purpose in their lives.

Somewhere we have come to believe that God is going to ignore our sin and wickedness in this nation and let us go on living as if He has no claim on our lives. As a nation we had better wake up and repent and recognize where we come from as a nation.

"This day . . . I have set before you live and death, blessings and curses. Now choose life."

## Obituaries

JESSIE COLLINS

Jessie Collins, 75, formerly of Arcadia, died Friday, Feb. 19, in Belle Glade.

Born in Irving, Florida, she moved to Belle Glade in 1934.

Survivors include her husband, Carl Collins; a son Malcolm, "Bud," Collins of Ft. Pierce; three sisters, Irene Waters of Arcadia, Myrtha Dees of Pensacola and Laurie Plummer of Palmetto; four grandchildren; and a great grandchild.

Services were held Sunday, Feb. 21, at Roberts-Grady Funeral Home. Burial was at Jashwa Creek Cemetery in Arcadia, Florida.

MARY BELLE EGGLESTON

Mary Belle Eggleston, 95, of 1123 Summit Blvd., West Palm Beach died Saturday, Feb. 20.

She was a native of Siddell, Illinois, and a pioneer of Belle Glade, coming here in 1917.

Survivors include three sons, R.C. Taylor, Portland, Oregon, George M. Eggleston, West Palm Beach and William E. Eggleston, Belle Glade; four daughters, Martha Winnie, West Palm Beach, Mary Clausen, Orlando, Sara Nelson, Florida City and Grace Lyons, Altamonte Springs, Fla.; 12 grandchildren; 14 great grandchildren; and three great-great grandchildren.

Services were held Tuesday, Feb. 22 at 10 a.m. at the Wetherington Chapel, Pahokee with the Rev. Jeff Cadore officiating. Interment was at Woodlawn Park Cemetery, Miami. Wetherington Funeral Home, Pahokee was in charge of arrangements.

Silvio Gomez, Sr.

Silvio Gomez, Sr., 45, of Henderson Trailer Park No. 16, South Bay died Feb. 18, as a

result of a farm accident.

He was a native of Cuba and came to the Glades from New Jersey in September of 1981. He was of the Catholic faith, belonging to St. Philip Benzi Catholic Church.

Survivors include his mother Irma Brito of Cuyaba; his wife, Oristela Torres Gomez of South Bay; two sons, Silvio Gomez, Jr. and Idalberto Gomez, both at home.

Rosary services were held Feb. 19th in Mixson Funeral Chapel.

Funeral Mass was conducted at the St. Philip Benzi Catholic Church, Feb. 20 with Fr. Joseph Santabibiana S.D.B. officiating. Interment followed in the Queen of Peace Catholic Cemetery on Southern Blvd., West Palm Beach.

Mixson Funeral Home in Belle Glade was in charge of arrangements.

## Pahokee church plans open house

A special open house and dedication service will be held at the First Baptist Church—Mission located at 565 South Barfield Pahokee. On Sunday, March 7, at 2 p.m.

Rev. James Jackson is the mission pastor, and Rev. Joe Hudson is pastor of the sponsoring congregation.

Special music will be provided, and the dedicatory message will be delivered by Rev. Joe Coats, pastor of the Glendale Baptist Church in Miami. Glendale Baptist Church is a 2,000 member Black Southern Baptist Church.

## St. Philip Benzi plans mission

The parishioners of St. Philip Benzi are encouraged to attend the Mission that will begin on Sunday, Feb. 28, and will run till the following Friday.

March 5th.

Services will take place Monday through Friday as follows: English at 8:30 p.m. and Spanish at 8 p.m. The Rev. Daniel

Morales, S.D.B. will conduct the Mission and will be the preacher. Fr. Morales is from Toledo, Ohio. He joined to Salesians of St. John Bosco and was ordin-

ed a priest in Rome, Italy. Father has recently attended a Pastoral Course at the Assisian Pontifical University in Rome, Italy, and is at the present time Associate Pastor of the Mary Help of Christians Church in New York City.

The Catholic Community of St. Philip Benzi cordially invites all to attend this Mission.

## Stewardess sets program

PAHOKEE-- The Stewardess Boards of the St. James A.M.E. Church will sponsor their annual program Sunday, Feb. 28 at 11

a.m. and 3 p.m. at the church.

The Elder James Murvin will be the 11 a.m. speaker and At. Edward Gary will be

the afternoon speaker.

The Stewardess Boards extend an invitation to the community to worship with them during these special programs.

## Rev. Brown to be honored on 21st anniversary

BELLE GLADE-- The congregation of the Greater St. Paul Church of God in Christ invites the community to share with them in Rev. Clarence

Brown 21th Pastor's Anniversary by attending a dinner in his honor at the Belle Glade Civic Center.

The dinner will be

held Saturday, Feb. 27 at 8 p.m. For tickets contact Mrs. Sarah Federick at 996-9510 or Mrs. Colantha Wilson at 996-5961.

## Hunting Wild Turkeys In The Everglades

Every turkey hunter will enjoy reading and sharing the experiences of Frank P. Harben's exciting book on Hunting Wild Turkeys in the Everglades.

In easy to read style, the author tells how he searches for, stalks, and kills wild turkeys by using a 410-gauge shotgun, a gun normally relegated to the wife, young son, or a novice hunter.

Avid turkey hunters will eagerly read this exciting new book which recounts over 40 years of personal experiences in hunting the wary and vigilant wild turkey. If the reader has difficulty putting the book down, do not blame the author. He writes in a style and about events that only an avid turkey hunter could accomplish.

Additionally, the author of this exciting new book discusses techniques and ways to hunt the wild turkey. His discussion on hunting turkeys will incite the reader to greater efforts in his attempt to master the techniques of hunting the wild turkey.

Size: 5 1/2 X 8 1/2; Perfect Bound; Illustrated with Photographs; 25 Chapters and approximately 340 pages; Due for release February 25, 1982. Cost \$8.95.

## Adams to be honored for 32 years of service

**BELLE GLADE** -- The Dr. J.B. Adams, pastor of St. John First Baptist Church will be honored by his congregation Sunday, Feb. 28, for 32 years of "dedicated services" to St. John and the Glades Community.

Dr. Adams was called to St. John in February of 1950. The edifice was located at the present site of Progressive Finance and Loan Company, 324 S.W. 5th St., Belle Glade.

After several years at the South West Fifth Street site, Dr. Adams and the officers of St. John sought an appropriate area to build a new edifice. The late Arthur Wells sold the property to St. John at 600 S.W. Eight St., the present site of the church. Work was started and in March of 1962 the edifice was completed and St. John served as host for the 1962 Annual Session of The Mission and Education Baptist Convention of Florida under the leadership of Dr. J.C. Sams.

Since the initial erecting of the new St. John, the building has been air conditioned, equipped with stained glass windows, paved parking area and very recently officers purchased an elevator.

Since coming to the Glades, Dr. Adams has involved himself with numerous civic and community projects. Dr. Adams served as

president of the first Interdenominational Council of Belle Glade during the early 60's, served as president of the Board of Directors of Wee Care for a number of years and is presently serving on the board. He served as president of the Palm Beach Ministerial Association, Interdenominational Ministerial Alliance.

Dr. Adams is presently a member of the Board of Directors for the Association for Retarded Citizens, and is a member of the Gladesview Advisory Board.

Among his many

religious affiliations are president of Florida Seminar in Lakeland, Moderator of Greater South Florida Association, Chairman of the Board of Education for Progressive ME State Convention of Florida and chairman of Education of the National Convention of America, Inc.

He has experienced much traveling, included a trip around the world with a group of ministers and baptist laymen.

Rev. Adams is married to Mrs. Willie Mae Adams, an elementary school teacher at Gladesview Elementary School.

Rev. Adams

## Valentine Party held

**PAHOKEE** -- The Essence Unity Ladies Club held its annual Valentine Party, Saturday, Feb. 13, at the home of Mr. and Mrs.

## Women's history quiz available

**BELLE GLADE** -- Beginning Feb. 26, the Belle Glade Municipal Library will have available a Women's History Quiz. The quiz will consist of 25 questions, some easy and some not so easy.

These quizzes may be picked up Friday, Feb. 26 until March 12. Winners will be announced on Monday, March 15.

Winners will be judged by the number of correct answers and time and date returned. Entries must be received no later than noon on March 12.

First place winner will receive a credit card sized calculator. Second place winner will receive a Webster's new collegiate dictionary.

According to Ms. Phillis Lilly, librarian, the purpose of this quiz is two fold -- fun and learning.

The event is open to the public. During this two week period, the library staff will not give out or help answer these questions.

According to Ms. Phillis Lilly, librarian, the purpose of this quiz is two fold -- fun and learning.

Together, we can change things.

## Ladies In Unity installation program

**PAHOKEE** -- The Ladies In Unity Club of Pahokee held its installation services, Sunday, Feb. 14 at the St. James A.M.E. Church.

Mrs. Diane Walker presided over the ceremony. Mrs. Ethel Allen was the guest speaker and the installing officer.

Mrs. Deotia McKenzie served as the assessor and Jerome Govan, R.C. Durr, Arthur Williams, Mrs. Mary Jackson, Roy Singletary served as escorts.

Club member Juanita Williams gave

the welcome address and Mrs. Mary Jackson brought the occasion.

Officers installed were: Mrs. Laura Clevan, president; Mrs. Dorothy Johnson, vice-president; Mrs. Delores Maxey, secretary; Mrs. Juanita Williams, corresponding secretary; Mrs. Mary Jackson, financial secretary; Mrs. Hermena Moultrie, treasurer; Mrs. Claudia Hanna and Ms. Henrietta Allen, chaplains; Mrs. Deloris Robertson and Mrs. Elsie Thomas, entertainment committee; Mrs. Winnie Bell

Guyton, sick committee; Mrs. Louise Smith, counselor and Mrs. Bernice Peterkin, marshal.

Club members installed were Mrs. Dollie Mae Hines, Mrs. Maude Canty, Mrs. Dorothy Butler, Mrs. Caroline Johnson, Mrs. Annie Rea Boldin, Mrs. Ethel Barnes and Mrs. Elizabeth Turner.

Club chairs attending the affair were the Essence Unique Ladies and the La Chic Madames.

## Boyer competes for Miss Teen

**BELLE GLADE** -- Miss Jacqueline Boyer, age 16, daughter of Mr. and Mrs. Chris Boyer of Belle Glade, has been selected to compete in the Greater West Palm Beach Miss T.E.E.N. Pageant to be held at the Palm Beach Junior College Auditorium April 3.

This pageant is the Official City-wide preliminary for the Florida Miss T.E.E.N. Pageant to be held in Orlando in August.

Contestants are between the ages of 14 and 18, and must have at least a "B" average in school. They are required to participate in the Volunteer Service Program of the Miss T.E.E.N. Pageant. Through this program many young ladies are becoming involved in community activities by contributing at least 12 hours of time to some worthwhile charity or civic work.

Among the prizes the winner of the Greater West Palm Beach Miss T.E.E.N. Pageant will receive is a \$300 cash scholarship and an all-expense paid trip, except travel, to compete in the Florida Miss T.E.E.N. State Pageant.

The Florida winner will receive a \$750 cash scholarship to the school of her choice and all expense paid seven day trip to represent the state of Florida at the National Miss T.E.E.N. Pageant in Albuquerque, New Mexico, where prizes to be awarded will total more than \$25,000.

Contestants will be judged on Scholastic Achievement, Talent, Poise, Personality, and a choice of a patriotic speech or talent.

therefore no swimsuit competition is required.

Miss Boyer, a student Miss T.E.E.N. is a scholarship pageant.

dent at Glades Central Community School is sponsored by St. Paul Church of God in Christ, A and E Motors, Gilbert's Jewelry, Carl's Car, Taylor Funeral Home, Miller Mortuary and Foster's Bail Bond.

Her hobbies include attending church, playing the organ, meeting people and singing

with the "Glades Central Singing Raiders."

## Frier presents program

**BELLE GLADE** -- The Belle Glade Woman's Club held their regular meeting at the Belle Glade Civic Center on Thursday, Feb. 18.

Mrs. Clyde Parrish presided. The meeting was opened with prayer by Mrs. John Dulany.

During a short business meeting, Mrs. Marlin Chapman reported the recent chili luncheon was a success and thanked all who had helped.

A program was presented by Mrs. Jane Frier of "Plain Jane Ceramics", and the basic steps in the art of ceramics was demonstrated. Many articles made by Mrs. Frier and her students were displayed.

Guests at the meeting were Mrs. Nati Draa, Mrs. Virginia Carpenter of West Virginia, Mrs. Elizabeth Taylor and Mrs. Sadie Harris of Havelock, North Carolina and Ms.

Karen Farley. Refreshments were served by the hostesses Mrs. Carl Come, Mrs. James Chamblee, Mrs.

J.B. Simmons, Mrs. Luther Jones, and Mrs. John Dulany.

## Student service week observed at GCCH

The Glades Ebonique Ladies Club of Pahokee presented Gloria Atkins and Barbara Jones club awards for their dedication to the club.

## Glades Ebonique Ladies installation ceremony held

**PAHOKEE** -- The Glades Ebonique Ladies Club of Pahokee held its Fifth Annual Officers Installation and Book History Program.

The ceremony was held Sunday, Feb. 14 at the Canal Point Community Center.

Mrs. Maude Vereen, a founding member of the Elite Community Club of Belle Glade was the guest speaker.

Mrs. Vereen spoke to the GELIS and their guests on the importance of "Love" and "Sisterhood".

The Pahokee High School Chorus Ensemble under the leadership of Kevin Hoyton, sang several Black spirituals in commemoration of Black History Month during the program.

The GELIS presented the Chorus its annual Black History Month contribution.

In previous years the club has donated the contribution to the Pahokee High School Band and to the East Lake Middle School Library.

Officers installed were: President Patricia Wallace, Vice-President Margaret Edwards, Secretary Gwen Williams, Assistant Secretary Alma Henry, Corresponding Secretary Debra Perkins, Treasurer Barbara Jones, Chaplain Myrtice Cade, Historian Barbara Bell, Parliamentarian Nadine Atwell, Financial Secretary.

Delores Maxey, Journalist, Diane Kyles, Sick Committee Chairperson, Alvina Biggs, Activity Chairperson, Gloria Atkins, Members Crystal Fox, Juliet Johnson, Florence Maitland, Diane Maitland, Marilyn Buns, and Joan Laws.

Barbara Jones received the outstanding Club Member of the Year Award and Gloria Atkins received the Most Supportive Club Member Award from President Patricia Wallace.

Vice-President Alma Henry presented gold inscribed Presidential plates to Patricia Wallace and Delores Maxey. Gold inscribed heart shaped trinket boxes were also presented to Mrs. Vereen and Mrs. McClelland.

Each club member received a personalized arts and craft item from Mrs. Wallace and Miss Henry as gifts.

**Tillis wins television**

**PAHOKEE** -- The East Lake Middle School Band Parent Organization gave away a watch and a television in a fund raising event held to help purchase uniforms for the band.

Frank Tillis received the television and Shelia Jones received the watch.

Advisor Mae Alice Johnson presented each Glades Ebonique Ladies with a long stemmed red rose at the end of the program.

Guest organizations present were the Friendship Women's Club, the Zeta Phi Beta

Sorority, the Zeta Alpha and Young Ladies Auxiliary of the Church of God.

Appearing on the program also as a special guest was Mrs. Mattie M. Crawford, president and sponsor of the Young Ladies Auxiliary and Ellie Thornton.

## Bus passes available at Glades office

Six identification card centers will be open during March for the reduced fare program serving the elderly and handicapped on CoTran, the county bus system.

Persons who are disabled and those 60 years of age and over may obtain the permanent ID cards for a one-time fee of one dollar. Proof of age must be shown by the elderly.

Eligible recipients may ride CoTran buses anywhere in the county at the half fare rate of 30 cents one way. Bus routes operate from Boca Raton through the Tequesta-Jupiter area and into the Glades.

Center for March: Thursday, March 25 -- Belle Glade, Glades Office Bldg., Belle Glade, 9:00-12:00 and 1:00-4:00.

### CREDIT PROBLEMS?

If your loan application to purchase a new or used car was turned down by the Bank or other lending institution, The Stewart's may have good news for you. For a limited time, we have over \$200 million dollars available for auto loans. Credit requirements are more liberal than what you've probably experienced. Terms are longer, and no down payment is necessary. Interest is well below prime lending rates charged by most banks.

Call now and drive home today in a new Pontiac, Toyota, Mazda, Ford or Peugeot. Call for an appointment or come in. Ask for Mr. Foster. Special Finance Manager.

## Commission accepts pay plan

By JEFF BROWN

**BELLE GLADE**—The Belle Glade City Commission Monday, Feb. 22, approved a resolution adopting a new job classification and pay plan for city employees.

The new pay plan provides for a 7.5 percent salary increase for city employees effective October 1 of last year.

It also stipulates that all promotions and transfers must be approved in writing by the city manager.

Before the city's personnel director can transfer applications for employment to the city manager, the city manager must determine whether:

- There exists a vacancy in the position applied for.
- The position is funded by a budget appropriation.
- The applicant complies with the minimum qualifications for the position.
- Certifications and approvals by those having responsibility have been received.

The plan includes a salary schedule for each city position. The city manager may authorize a starting salary up to two steps higher on the

scale. One step represents a jump of five percent. The pay of each employee may be adjusted annually by action of the city council under the new plan.

The city manager was given discretion over the awarding of merit raises in the new plan.

A salary schedule of 33 grades is included in the new pay plan.

Each grade is divided into steps, the steps equating five percent jumps in salary.

The lowest grade, grade 18, starts at \$2.55 an hour.

The highest grade, grade 50, starts at \$12.13. Each job title is given a grade. The pool cashier is at the lowest grade, 19. The starting salary for the pool cashier is \$2.68 and it tops off at \$4.13.

The highest grade awarded to a job title is 46 for the Public Works Director and the Chief of Police. A person starting employment at that grade would earn an initial salary of \$9.98 and could earn up to \$15.48 per hour.

In other business, the commission gave final approval to ordinances raising the sewage and water rates in accordance with the water and sewage treatment plant bond issue.

## City has warranty on garbage cans and lids, says Automated Systems

**PAHOKEE**—The city has a ten year warranty on the garbage cans and lids it bought from Automated Systems prior to September 1979 and the company will honor it the Pahokee City Council learned from a representative of the company Tuesday, Feb. 23.

The city has spent about \$30,000 on replacement lids and cans over the past couple years, according to Public Works Director Donnie Martin. Most of those cans and lids should fall under the warranty and the city will be reimbursed, according to the representative from Automated Systems, Bob Thader.

According to Thader, pahokee is the only city which has the type of warranty it holds on the system.

"We'll honor it," he said. "We aren't trying to hide behind a warranty. I purposely came up here to tell you that publicly."

In other action, the council

• Authorized Mayor Duncan Padgett to hire a plumber, an electrician and a carpenter to build restrooms at the harbor after permission is obtained to hook on to the sewer line.

• Gave permission for Royal's department store

to hold a petting zoo in its parking lot.

• Defeated a motion by to purchase two meters to be installed on the garbage trucks. The meters, costing \$320.05 each, would graph the time each truck is on the road and what it is doing.

The motion was defeated when Councilman George Tillis voted against it. A four-fifths vote is required to approve an expenditure that high.

Those voting for the motion were Hugo Raineri, George Rashley and William E. McKinstry. Jon

Moore was not present.

## ARC sponsors salad bar

The Association for Retarded Citizens will sponsor a salad bar luncheon on Friday, March 5th. Diners will be able to create their own salad from a wide assortment of fresh

vegetables, meat, and other condiments. Fresh bread and cheese, fruits, beverage, and dessert are also included in the cost of the \$3.00 tickets. Lunch will be

served from 11:00 a.m. to 2:00 p.m. at the Belle Glade Municipal Civic Center.

Tickets are available at the ARC office (996-4335) and various

businesses in Belle Glade and Pahokee. Plan now to enjoy a good meal for a good cause.

## Rainbows enjoy luncheon

A District School of Instruction for District No. 20 Order of Rainbow for Girls was held Saturday, Feb. 20th, at 11 a.m. in Belle Glade. Rainbow Assemblies representing District No. 20 are Belle Glade Assembly No. 1, Moore Haven Assembly No. 24, and Clewiston Assembly No. 33.

A salad luncheon was enjoyed by the members present. (The

District School was conducted by Mrs. Evelyn Allen, District Deputy of District No.

### World Mission Conference

**BELLE GLADE**—First Baptist Church of Belle Glade is hosting a World Mission Conference at their church at 17 N.W. Ave. B, Thursday, February 25 through Sunday, February 28th.

The schedule of services is as follows:

✓Thursday, 7:30 p.m. - Rev. Jarrett Ragan, Missionary in India

✓Friday, 7:30 p.m. - Rev. Tom Draper with our state Missions in Florida.

✓Saturday, 7:30 p.m. - Sara Ruth Wilson with our Home Mission Board minister in New

England.

✓Sunday, 11:00 a.m. - Mary Sue Mueth, missionary in Indonesia

✓Sunday, 7:30 p.m. - Rev. Kenneth Watkins, missionary in Paraguay

Those who are interested in missions and desire to learn more about missions are invited and urged to attend.

### Founders Day set

**BELLE GLADE**—The Belle Glade-Pahokee Alumni Association of Kappa Alpha Psi Fraternity, Inc., is sponsoring its First Annual Founder's Day Program, Sunday, Feb. 28 at 3 p.m., at the New Bethel Missionary Baptist Church, 1101 W. Ave. A, Belle Glade.

The guest speaker for the occasion will be Moses B. Stubbs, Jr., a member of the fraternity. He also is the Assistant Principal at Howell L. Watkins Junior High School in Palm Beach Gardens.

The men of Kappa cordially invite the community to share with them in this founder's day celebration.

### Kendrick - Watson engagement announced

**BELLE GLADE**—Mr. and Mrs. Willie Kendrick, Sr. of 1241 Vaughn Circle, Belle Glade, announce the engagement and upcoming marriage of their daughter, Audrey Faye, to Willie Watson, Jr.

Watson is the son of Willie Watson, Sr. and Beulah Freeman Watson of Sarasota.

The wedding will take place on March 20 at the National Church of God, 977 N.W. 17th Ave. Ft. Lauderdale.

# "It's for you."

Introducing **FPL'S WATT-WISE LINE** FOR ENERGY CONSERVATION  
1-800-432-6563

Call this toll-free number for FPL's new Watt-Wise Line.™  
Call any weekday between 9 and 5, and listen to your choice of recorded messages on conserving energy and saving money.

There are tapes on insulation, cooling and heating, making the most energy-efficient use of your appliances, even federal and state tax savings on energy-conserving home improvements.

So, to hold down your electric costs, cut out this listing and put it next to your phone. Then call as often as you like, because the more you know the more you can save.

FPL's Watt-Wise Line is another way we're working hard at being the kind of power company you want.

- Clip and save.
- Call FPL's Watt-Wise Line between 9 and 5, Monday through Friday, and tell the operator the number of the tape you want to hear on conserving energy and saving money.
